Effective Date: To be confirmed

Version: 1.0

1. INTRODUCTION

GrubnBite is a digital food ordering and delivery platform developed and operated by Mega X Industries.

The platform connects customers with restaurants, food outlets, grocery merchants and delivery partners, providing a convenient digital environment for ordering food and related products.

This Food Ordering and Delivery Policy establishes the rules, responsibilities and procedures governing food ordering, order acceptance, preparation, collection, delivery and customer interactions through GrubnBite.

Our objective is to provide customers with a reliable, transparent and convenient food ordering experience while supporting restaurants, merchants and delivery partners.

This policy must be read together with the GrubnBite Terms and Conditions, Privacy Policy, Refund and Returns Policy and Cancellation Policy.

2. SCOPE OF THE POLICY

This policy applies to individuals and businesses using GrubnBite for:

- Ordering prepared meals.
- Ordering groceries and food products.
- Restaurant takeaway orders.
- Home and business food deliveries.
- Scheduled food orders, where available.
- Restaurant and food outlet transactions.
- Other food-related services made available through the platform.

It applies to customers, restaurants, merchants, delivery partners and other authorised participants involved in fulfilling orders.

3. CUSTOMER REGISTRATION AND ACCOUNT RESPONSIBILITY

Customers may be required to create an account to access certain GrubnBite services.

Customers are responsible for:

1 Providing accurate registration information.
2 Maintaining the confidentiality of their login credentials.
3 Keeping their telephone number and email address updated.
4 Providing accurate delivery information.
5 Ensuring that orders are placed intentionally and correctly.
6 Reporting suspected unauthorised account activity.

Customers must not use another person's account without permission or provide false information when placing orders.

Mega X Industries reserves the right to investigate suspected fraudulent activity in accordance with the Terms and Conditions and applicable law.

4. PLACING FOOD ORDERS

Customers can browse available restaurants, food outlets and merchants through the GrubnBite platform.

Before submitting an order, customers should:

- Select the restaurant or merchant.
- Review available products and descriptions.
- Select the desired items.
- Specify quantities and available customisation options.
- Review applicable prices and additional charges.
- Provide delivery or collection details.
- Select an available payment method.
- Confirm the order.

Customers are responsible for reviewing their orders before final submission.

Once submitted, an order will be transmitted to the relevant restaurant or merchant for processing.

5. ORDER ACCEPTANCE AND CONFIRMATION

Submitting an order does not necessarily mean that a restaurant has accepted it.

An order is subject to acceptance by the relevant restaurant or merchant.

GrubnBite may provide order status notifications, including:

- Order Submitted.
- Pending Confirmation.
- Order Accepted.
- Preparing Order.
- Ready for Collection.
- Delivery Assigned.
- Out for Delivery.
- Delivered.
- Cancelled.

Customers should rely on the confirmation displayed through the platform to determine whether an order has been accepted.

If a restaurant cannot fulfil an order, the customer will be notified and an appropriate resolution will be arranged.

6. FOOD PREPARATION AND RESTAURANT RESPONSIBILITIES

Restaurants and merchants listed on GrubnBite are responsible for preparing and supplying food products in accordance with applicable food safety and hygiene requirements.

Restaurants and merchants must:

1 Maintain the required food premises approvals and compliance documentation.
2 Follow applicable food handling and hygiene standards.
3 Prepare food in suitable and sanitary conditions.
4 Ensure that food is fit for human consumption.
5 Provide accurate menu descriptions.
6 Communicate product unavailability.
7 Package food appropriately for collection and delivery.
8 Maintain reasonable standards of quality and service.
9 Comply with applicable South African food safety legislation.

GrubnBite may require participating restaurants and merchants to provide relevant business and compliance information.

7. MENU ACCURACY AND PRODUCT AVAILABILITY

Restaurants and merchants are responsible for ensuring that their menus, product descriptions and prices are accurate and updated.

Product availability may change due to stock shortages, seasonal ingredients or operational circumstances.

Where an ordered item is unavailable, the restaurant or merchant should notify the customer through the available communication channels.

Substitutions should not be made without appropriate customer approval where the substitution materially changes the product.

GrubnBite may assist in coordinating an alternative selection, cancellation or refund where necessary.

8. FOOD ALLERGIES AND DIETARY REQUIREMENTS

Customers should carefully review food descriptions and communicate relevant dietary requirements before confirming an order.

Where available, customers may indicate:

- Food allergies.
- Dietary restrictions.
- Vegetarian preferences.
- Vegan preferences.
- Religious dietary requirements.
- Ingredient exclusions.

Restaurants are responsible for providing accurate ingredient and allergen information to the extent required by applicable law and their actual knowledge.

Customers should understand that food may be prepared in kitchens that handle multiple ingredients and allergens.

Where an allergy presents a serious risk, customers should contact the restaurant directly before ordering and should not rely solely on platform descriptions or automated recommendations.

GrubnBite does not guarantee that a restaurant's kitchen is free from a particular allergen unless this has been specifically verified and expressly stated.

9. FOOD PRICING AND ADDITIONAL CHARGES

Prices displayed on GrubnBite should reflect the prices communicated by the relevant restaurant or merchant.

Additional charges may include:

- Delivery fees.
- Service fees.
- Packaging charges.
- Applicable taxes.
- Other disclosed transaction charges.

All applicable charges should be displayed before customers confirm payment.

Customers will be responsible for paying the final amount displayed and accepted during checkout, subject to lawful corrections and applicable consumer rights.

GrubnBite may facilitate payments through approved payment service providers.

10. PAYMENT PROCEDURES

Customers may use the payment methods made available through the platform.

Depending on the platform's payment integration, these may include:

- Debit cards.
- Credit cards.
- Electronic payment methods.
- Other supported digital payment solutions.

Payment must be successfully authorised or otherwise confirmed according to the applicable payment process.

Customers should not share their banking PINs, passwords or one-time passwords with restaurants, delivery partners or individuals claiming to represent GrubnBite.

Payment disputes and incorrect charges will be handled in accordance with the Refund and Returns Policy and applicable legislation.

11. DELIVERY SERVICES

GrubnBite facilitates food delivery through participating delivery partners and other authorised fulfilment arrangements.

Delivery availability depends on the customer's location, restaurant operating hours, delivery partner availability and operational conditions.

Customers are responsible for providing:

1. A correct delivery address.
2. An active contact number.
3. Accurate delivery instructions.
4. Any necessary access or security information.
5. A safe and accessible delivery location.

Delivery estimates displayed through the platform are indicative and may change due to operational conditions.

12. DELIVERY FEES AND DELIVERY DISTANCES

Delivery fees may vary depending on factors such as:

- Distance between the restaurant and delivery location.
- Delivery partner availability.
- Order requirements.
- Operational conditions.
- Applicable promotional offers.

Any delivery fee must be disclosed before the customer confirms the order.

GrubnBite may introduce different delivery pricing structures, promotional delivery offers or subscription benefits, subject to the applicable terms.

13. DELIVERY TIMES AND DELAYS

GrubnBite aims to provide reasonable delivery estimates.

However, delivery times may be affected by:

- Restaurant preparation delays.
- Traffic conditions.
- Weather conditions.
- Road closures.
- High order volumes.
- Delivery partner availability.
- Technical disruptions.
- Other unforeseen circumstances.

Customers will be notified of significant changes where the platform supports such notifications.

An estimated delivery time is not an unconditional guarantee unless expressly stated otherwise.

Where an order is significantly delayed or cannot be fulfilled, customers may contact support for assistance.

14. CUSTOMER RESPONSIBILITIES DURING DELIVERY

Customers should remain reasonably available to receive their orders.

Where a delivery partner arrives at the specified location, the customer should respond to delivery communications and provide reasonable assistance to complete the handover.

Customers must not:

- Threaten or harass delivery partners.
- Provide deliberately false delivery information.
- Request unlawful delivery activities.
- Use the platform to facilitate fraudulent transactions.
- Place orders with no genuine intention of receiving them.

Any safety concerns should be reported to GrubnBite.

15. DELIVERY PARTNER RESPONSIBILITIES

Delivery partners operating through GrubnBite must conduct themselves professionally and comply with applicable laws.

Delivery partners are expected to:

1 Handle food orders responsibly.
2 Maintain appropriate personal hygiene.
3 Use suitable delivery equipment and containers.
4 Protect food from contamination.
5 Follow reasonable delivery instructions.

6 Treat customers and restaurant staff respectfully.
7 Maintain accurate delivery status updates.
8 Comply with applicable road traffic and safety requirements.
9 Report incidents or delivery problems promptly.

Delivery partners must not deliberately open, tamper with or consume customers' orders.

16. FOOD PACKAGING AND HANDLING

Restaurants and merchants are responsible for ensuring that food is packaged appropriately before collection.

Packaging should be suitable for the type of food being transported and should reasonably protect against contamination, leakage, damage and temperature deterioration.

Delivery partners should take reasonable steps to preserve the condition of food during transportation.

Customers should report visibly damaged, tampered-with or unacceptable packaging promptly.

17. ORDER MODIFICATIONS

Customers may request changes to an order before preparation begins, subject to restaurant approval.

Possible modifications may include:

- Changing quantities.
- Removing selected ingredients.
- Updating delivery instructions.
- Changing certain menu selections.

Once preparation or dispatch has started, modifications may no longer be possible.

GrubnBite does not guarantee that every modification request can be accommodated.

18. ORDER CANCELLATIONS

Customers may request cancellation according to the GrubnBite Cancellation Policy.

Cancellation eligibility depends on the order status, nature of the product, preparation stage and applicable legislation.

Restaurants and merchants may also cancel orders where fulfilment becomes impossible.

Where an accepted order is cancelled by the restaurant or merchant, customers will be informed and an appropriate refund or other remedy will be provided where applicable.

19. INCORRECT, MISSING OR DAMAGED ORDERS

Customers should report problems as soon as reasonably possible after receiving their orders.

Examples include:

- Missing items.
- Incorrect meals.

- Incorrect quantities.
- Damaged packaging.
- Spilled food.
- Spoiled food.
- Products materially different from the description.

Customers may contact GrubnBite through the platform or email megaxindustries@gmail.com.

Reports will be investigated and resolved according to the Refund and Returns Policy and applicable consumer protection legislation.

20. FOOD SAFETY AND CUSTOMER COMPLAINTS

Food safety is a priority for GrubnBite.

Restaurants and merchants remain responsible for complying with applicable food safety requirements, including relevant provisions of the Foodstuffs, Cosmetics and Disinfectants Act 54 of 1972 and applicable regulations, including the regulations relating to general hygiene requirements for food premises, the transport of food and related matters.

Customers should immediately report suspected food contamination, unsafe food or serious hygiene concerns.

Where necessary, GrubnBite may investigate complaints, request relevant documentation and suspend listings while serious safety concerns are assessed.

Customers experiencing a medical emergency should seek urgent medical assistance.

21. REFUNDS AND PAYMENT DISPUTES

Refund requests will be assessed under the GrubnBite Refund and Returns Policy.

Depending on the circumstances, customers may qualify for:

- A full refund.
- A partial refund.
- A replacement order.
- Redelivery.
- Another appropriate statutory remedy.

GrubnBite will not use this policy to exclude consumer remedies available under South African law.

22. RESTAURANT AND MERCHANT COMPLIANCE

Restaurants and merchants participating in GrubnBite are expected to maintain all applicable registrations, licences, permits and food safety compliance requirements relevant to their operations.

They must ensure that their premises and food handling activities meet the standards required by South African legislation and applicable municipal requirements.

GrubnBite may request supporting documentation and may restrict access to the platform where a merchant fails to satisfy reasonable compliance requirements.

23. PLATFORM AVAILABILITY AND TECHNICAL INTERRUPTIONS

GrubnBite aims to maintain reliable access to its website and application.

However, temporary interruptions may occur due to:

- Scheduled maintenance.
- Software updates.
- Network disruptions.
- Third-party service failures.
- Cybersecurity incidents.
- Technical faults.

GrubnBite will take reasonable steps to restore services and communicate significant disruptions where appropriate.

24. LIMITATION OF RESPONSIBILITY

Mega X Industries operates GrubnBite as a technology and ordering platform.

The responsibilities of Mega X Industries, restaurants, merchants and delivery partners depend on their respective roles in each transaction and applicable legislation.

Nothing in this policy excludes liability for fraud, gross negligence, wilful misconduct or any other liability that cannot lawfully be excluded or limited.

Customers retain all non-excludable rights under South African law.

25. PERSONAL INFORMATION AND CUSTOMER PRIVACY

Personal information collected during ordering and delivery may include:

- Customer names.
- Telephone numbers.
- Email addresses.
- Delivery addresses.
- Order histories.
- Payment transaction references.
- Relevant delivery instructions.
- Location information where authorised.

This information may be processed to manage orders, coordinate deliveries, facilitate payments, provide customer support and maintain platform security.

All personal information will be handled in accordance with the GrubnBite Privacy Policy and the Protection of Personal Information Act 4 of 2013 (POPIA).

26. GOVERNING LAW

This policy is governed by the laws of the Republic of South Africa.

It operates subject to applicable legislation, including:

- Consumer Protection Act 68 of 2008.
- Electronic Communications and Transactions Act 25 of 2002.
- Protection of Personal Information Act 4 of 2013.
- Foodstuffs, Cosmetics and Disinfectants Act 54 of 1972.
- Applicable food hygiene and municipal regulations.

Where this policy conflicts with applicable legislation, the legislation will prevail.

27. POLICY AMENDMENTS

Mega X Industries reserves the right to amend this policy when necessary to reflect changes in GrubnBite's operations, services, technology or legal requirements.

The latest version will be published on the official GrubnBite website.
