1. INTRODUCTION

This Account Suspension and Termination Policy governs the suspension, restriction, deactivation and termination of accounts registered on the GrubnBite platform.

GrubnBite is a digital platform developed and operated by Mega X Industries, connecting customers with restaurants, merchants, delivery partners and other service providers.

The purpose of this policy is to protect the platform, its users, business partners and the integrity of its services against fraud, misuse, unlawful activities, security threats and violations of platform rules.

This policy applies to all individuals and businesses that create, access or operate an account on GrubnBite.

2. TYPES OF ACCOUNTS COVERED

This policy applies to:

- Customer accounts.
- Restaurant accounts.

- Merchant and business accounts.
- Delivery partner accounts.
- Service-provider accounts.
- Administrative and other authorised platform accounts.

Each account holder is responsible for ensuring that their account is used in accordance with GrubnBite's Terms and Conditions, applicable policies and South African law.

3. GROUNDS FOR ACCOUNT SUSPENSION OR TERMINATION

Mega X Industries may restrict, suspend or terminate an account where there are reasonable grounds to believe that the account holder has:

3.1 Fraudulent Activities

- Used stolen or unauthorised payment methods.
- Submitted fraudulent refund or chargeback claims.
- Created accounts using false or misleading information.
- Manipulated transactions, promotions or platform rewards.
- Attempted to obtain goods or services through deception.

3.2 Violation of Platform Policies

- Breached the GrubnBite Terms and Conditions.
- Repeatedly violated the Refund and Returns Policy.
- Misused the Cancellation Policy.
- Violated the Payment Policy.
- Breached applicable merchant or delivery partner agreements.
- Engaged in conduct that undermines platform integrity.

3.3 Abusive or Inappropriate Conduct

- Harassed, threatened or intimidated other users.
- Engaged in discriminatory or unlawful conduct.
- Used abusive or threatening language towards customers, merchants, restaurants, delivery partners or support personnel.
- Engaged in violence, intimidation or other serious misconduct connected to the platform.

3.4 Security and Unauthorised Access

- Attempted to access another person's account without permission.
- Shared or misused login credentials.
- Attempted to interfere with GrubnBite's systems.
- Introduced malicious software or harmful code.
- Attempted to manipulate, exploit or compromise platform security.

3.5 Illegal Activities

- Used GrubnBite to facilitate unlawful transactions.
- Engaged in activities prohibited by applicable South African legislation.

- Used the platform to distribute prohibited goods or services.
- Participated in money laundering, identity theft or other suspected criminal activities.

3.6 Misuse of the Platform

- Created multiple accounts to exploit platform promotions.
- Deliberately disrupted platform operations.
- Submitted misleading business or service information.
- Repeatedly failed to fulfil accepted obligations as a merchant or delivery partner.
- Engaged in conduct that creates a material risk to users or the platform.

4. TEMPORARY ACCOUNT SUSPENSION

A temporary suspension restricts an account holder's access to some or all GrubnBite services for a specified period or while an investigation is ongoing.

An account may be temporarily suspended where:

- A complaint involving serious misconduct is being investigated.
- Suspicious or potentially fraudulent activity has been detected.
- Account security may have been compromised.
- The account holder may have violated platform policies.
- Continued account access presents a reasonable risk to users, merchants, delivery partners or the platform.
- Additional verification is required.

Where reasonably possible, the account holder will be informed of the suspension, its general reason and any steps required to resolve the matter.

GrubnBite may impose an immediate temporary restriction where necessary to address an urgent security, safety, fraud or legal risk.

5. PERMANENT ACCOUNT TERMINATION

Permanent termination means that an account is closed and the account holder's access to the relevant GrubnBite services is withdrawn.

Termination may occur where:

- A serious violation of platform rules has been established.
- Fraudulent activity has been substantiated.
- Repeated violations continue despite reasonable warnings.
- The account has been used for unlawful activities.
- The account holder has engaged in serious misconduct.
- The account holder has materially breached an applicable agreement.
- Continued access presents an unacceptable and substantiated risk.
- The account holder requests permanent closure.

Mega X Industries will consider the nature, seriousness and circumstances of the conduct before deciding whether permanent termination is appropriate, subject to any urgent legal or safety requirements.

6. ACCOUNT RESTRICTIONS

Instead of suspending or terminating an account, GrubnBite may apply proportionate restrictions where appropriate.

These may include:

- Temporarily disabling payment functionality.
- Restricting access to certain services.
- Suspending promotional benefits.
- Requiring additional identity or business verification.
- Restricting access to merchant or delivery dashboards.
- Temporarily preventing new orders or bookings.
- Requiring password changes or additional security checks.

Restrictions will be applied according to the circumstances and applicable legal requirements.

7. NOTICE TO ACCOUNT HOLDERS

Where reasonably possible, GrubnBite will notify the affected account holder of a suspension, restriction or termination.

The notification may include:

- The action taken.
- The general reason for the action.
- Whether the action is temporary or permanent.
- Any relevant information or verification required.
- The procedure for submitting an appeal.

GrubnBite may limit the information disclosed where providing further details would compromise an investigation, expose security measures, violate another person's privacy or conflict with a legal obligation.

8. ACCOUNT INVESTIGATIONS

Mega X Industries may investigate suspected violations before deciding whether to suspend or terminate an account.

An investigation may involve:

- Reviewing account activity.
- Examining order and transaction records.
- Reviewing relevant communications.
- Investigating complaints.
- Verifying identity or business information.
- Contacting relevant customers, merchants or delivery partners.
- Reviewing available technical and security records.

The account holder may be asked to provide additional information or supporting documentation.

Investigations will be conducted reasonably and with due regard to privacy, fairness and applicable legal requirements.

9. APPEALS AND ACCOUNT REACTIVATION

An account holder who believes that their account has been unfairly suspended, restricted or terminated may request a review.

Appeals must be submitted to:

Email: megaxindustries@gmail.com

The appeal should include:

- Account holder's name.
- Registered email address or phone number.
- Account type.
- A description of the action being challenged.
- The reason the account holder believes the decision should be reconsidered.
- Relevant supporting information.

GrubnBite will make reasonable efforts to review appeals within five to ten business days, depending on the complexity of the matter.

Following review, GrubnBite may:

- Restore the account.
- Remove or modify restrictions.
- Maintain the temporary suspension.
- Uphold the termination.
- Request further information.

Reactivation is not guaranteed and will depend on the findings of the review and applicable legal obligations.

10. CUSTOMER ACCOUNT CLOSURE

Customers may request closure of their GrubnBite accounts through the available account settings or by contacting the official support email.

Before closing an account, customers should:

- Complete or resolve outstanding orders.
- Address outstanding payments.
- Review active bookings or subscriptions.
- Download any relevant transaction records they may need.

Account closure will not automatically cancel outstanding financial obligations or remove records that Mega X Industries is legally required or permitted to retain.

Personal information will be handled in accordance with the GrubnBite Privacy Policy and POPIA.

11. RESTAURANT AND MERCHANT ACCOUNT TERMINATION

Restaurant and merchant accounts may be suspended or terminated where a merchant:

- Repeatedly fails to fulfil accepted orders.
- Provides misleading business or product information.
- Engages in fraudulent transactions.
- Violates applicable food-safety or consumer-protection requirements.
- Engages in serious customer misconduct.
- Breaches the applicable merchant agreement.
- Fails to meet required verification or compliance obligations.

Where appropriate, Mega X Industries may request corrective action before imposing permanent termination.

Any outstanding merchant payments, refunds, commissions or other financial obligations will be handled according to the applicable merchant agreement and law.

12. DELIVERY PARTNER ACCOUNT TERMINATION

Delivery partner accounts may be suspended or terminated where a delivery partner:

- Engages in theft, fraud or dishonesty.
- Repeatedly mishandles customer orders.
- Engages in harassment, threats or violence.
- Provides false identity or vehicle information.
- Misuses customer information.
- Repeatedly violates delivery requirements.
- Operates in a manner that creates serious safety risks.
- Breaches the applicable delivery partner agreement.

Serious safety or security concerns may justify immediate temporary suspension while an investigation is conducted.

Any final action will be considered in light of the applicable agreement, relevant evidence and legal requirements.

13. OUTSTANDING PAYMENTS AND FINANCIAL OBLIGATIONS

Suspension or termination does not automatically cancel financial obligations that arose before the account was suspended or terminated.

These may include:

- Outstanding customer payments.
- Approved refunds.
- Merchant settlements.
- Delivery partner earnings.
- Applicable commissions and fees.
- Other amounts lawfully owed under the relevant agreement.

GrubnBite may investigate disputed amounts and take appropriate steps to resolve them.

Any withholding, deduction or adjustment must have a lawful basis and comply with the applicable agreement and legislation.

14. DATA RETENTION AND PRIVACY

Following suspension or termination, Mega X Industries may retain certain account information where necessary for:

- Legal and regulatory compliance.
- Financial record keeping.
- Fraud prevention and security.
- Resolving complaints and disputes.
- Enforcing contractual rights.
- Establishing, exercising or defending legal claims.

Personal information will be retained and processed in accordance with the GrubnBite Privacy Policy and the Protection of Personal Information Act 4 of 2013 (POPIA).

Information that is no longer required for a lawful purpose will be deleted, destroyed or de-identified in accordance with applicable requirements.

15. ACCOUNT SECURITY AND RESPONSIBILITY

Account holders are responsible for maintaining the confidentiality of their login credentials and for activities conducted through their accounts, subject to applicable law.

If an account holder suspects unauthorised access, they must notify GrubnBite as soon as reasonably possible.

Mega X Industries may temporarily restrict access to an account to protect the account holder and platform while a security concern is investigated.

16. AUTOMATED SECURITY SYSTEMS

GrubnBite may use automated tools to detect suspicious transactions, unusual account activity, potential fraud or security threats.

Where automated tools contribute to a decision that significantly affects an account holder, Mega X Industries will take account of applicable legal requirements, including relevant protections under POPIA.

Where required, an appropriate process for human review or representation will be made available.

17. NO WAIVER OF LEGAL RIGHTS

Nothing in this policy is intended to remove or limit rights available to customers, merchants, delivery partners or other account holders under South African law.

Where an account holder has rights under an applicable contract or legislation, those rights remain unaffected by this policy.

18. POLICY AMENDMENTS

Mega X Industries may update this policy to reflect changes in GrubnBite's services, security procedures, business operations or applicable legislation.

The latest version will be published on the GrubnBite website or made available through the platform.
